

273 CAREER AND TECHNOLOGY FOUNDATIONS/STUDIES

Background

The Division believes that student participation in Career and Technology Foundations/Studies (CTF/CTS) is a valuable learning experience for students in grades 5 to 12.

Fees for specific CTF/CTS courses may be determined by the Principal, in consultation with the Superintendent.

Procedures

1. Grade 5 to 9 CTF
 - a. The CTF program will be offered to grades 5 to 9 students in their neighbourhood school.
 - b. The CTF program offered at the grades 5 to 9 level is to be designed by combining components of courses within and across strands (e.g. career clusters) to enable students to explore a wide range of career options.

2. Senior High CTS
 - a. CTS courses offered at the senior high level are to be designed to provide students the opportunity to investigate potential career choices from introductory courses to advanced courses in a career pathway of their choice, based on course availability and access.
 - b. Students may elect to take a course in any year, depending on the availability of staff, facilities, and student places, recognizing that not all courses may be offered at all levels.

3. CTF/CTS courses will be offered to students in grades 5 to 12 with due consideration of:
 - a. The abilities and interests of the students,
 - b. The expertise of the staff,

- c. Financial, material and physical resources within the school, and
- d. Student enrolments
