

# Rescinded

November 4, 2020

Families of Canadian Rockies Public Schools:

Transportation update November 4, 2020

To be implemented November 9, 2020

Bus drivers for in town routes will wear face masks while students are getting on and off the bus only. Bus drivers will remove face masks while facing forward and driving the bus.

AHS directive states that if people are in a confined space for 15 minutes or longer and are not able to physically distance they should wear a face mask. Therefore, bus drivers who are driving continuously for 15 minutes or longer will wear face masks while they are driving. Bus drivers will also wear a face mask while students are getting on and off the bus.

Sincerely,

Christopher MacPhee  
Superintendent of Schools
