POLICY 3: ROLE OF THE TRUSTEE

ROLE OF THE TRUSTEE

The role of the Trustee is to contribute to the Board as it carries out its mandate in order to achieve its mission and goals. The oath of office taken by each Trustee when they assume office binds that person to work diligently and faithfully in the cause of education.

The Board of Trustees is a corporation. The decisions of the Board in a properly constituted meeting are those of the corporation. A Trustee who is given corporate authority to act on behalf of the Board may carry out duties individually, but only as an agent of the Board. In such cases, the actions of the Trustee are those of the Board, which is then responsible for them. A Trustee acting individually has only the authority and status of any other citizen of the division.

Trustees have a fiduciary duty to protect the interests of the Division, place the interests of the corporate board above their own, maintain confidentiality and avoid conflicts of interests.

Specific Responsibilities of Individual Trustees:

2. In alignment with Board engagement efforts, provide for the engagement of parents, students and the community in matters related to education.
 - a. Respectfully bring forward and advocate for local issues and concerns prior to a Board decision.
 - b. Interpret the needs of the community to the Board and the Board's actions to those
3. Refer queries, or issues and problems not covered by Board policy, to the Board for corporate discussion and decision.
4. Refer administrative matters to the Superintendent. The Trustee, upon receiving a concern, complaint or information regarding a sensitive or confidential matter from a parent, staff member, community member or other stakeholder, about school operations, must forthwith refer this individual to the school principal and will also inform the Superintendent of this action. If the individual attempts subsequent communication with the Trustee, the Trustee will respond that the concern has been forwarded to the Superintendent and will not engage in further conversation with the individual. AP 155 Public Complaints/Dispute Resolution addresses specific public complaints.

5. Participate in, and contribute to, the decisions of the Board in order to provide the best solutions possible for the education of children within the Division.
6. Support the decisions of the Board and refrain from making any statements that may give the impression that such a statement reflects the corporate opinion of the Board when it does not.
7. Participate in a number of seminars, conferences and conventions so they can enhance the quality of leadership and service they offer the Division.
8. Share the materials and ideas gained with fellow Trustees at the Board meeting immediately following a professional development activity.
9. Strive to develop a positive and respectful learning and working culture both within the Board and the Division.
10. Attend significant jurisdiction or school events.
11. Attend school council meetings throughout the Division, as available.

12. Board Orientation

As a result of elections, the Board may experience changes in membership. To ensure continuity and facilitate smooth transition from one Board to the next following an election, Trustees must be adequately briefed concerning existing Board policy and practice, statutory requirements, initiatives and long-range plans.

- a. The Board believes an orientation program is necessary for effective Trusteeship. All Trustees are expected to attend all aspects of the orientation program.
- b. The Division will offer an orientation program for all Trustees that provide information on:

BOARD OPERATIONS

Consistent with its objective to encourage the general public to contribute to the educational process, Board meetings will be open to the public. Towards this end, the Board believes its affairs must be conducted in public to the greatest extent possible.

There are times when public interest is best served by private discussion of specific issues in "in camera" sessions. A Trustee may present a notice of motion for consideration at the next Regular Meeting of the Board or may specify another meeting date. A Trustee may

also provide the Superintendent with a written notice of motion and ask that it be placed on the agenda of the next Regular Meeting and read at the meeting. The Trustee will need not be present during the reading of the motion, however if the Trustee is not present, a seconder is required at the meeting at which the notice is given, otherwise the item will be dropped.

b. Discussion on Motions

c. Speaking to the Motion

The mover of a motion shall speak first and every Trustee shall have an opportunity to speak to the motion before any Trustee is allowed to speak a second time.

As a general guide, a Trustee should not speak longer than five minutes on any motion. The Board Chair has the responsibility to limit the discussion by a Trustee when such a discussion is repetitive or digresses from the topic at hand, or where discussion takes place prior to the acceptance of a motion.

No one shall interrupt a speaker, unless it is to ask for important clarification of the speaker's remarks, and any such interruption shall not be permitted without permission of the Board Chair.

Should a Trustee arrive at the meeting after a motion has been made and prior to taking a vote, the Trustee may request further discussion prior to the vote. The Board Chair shall rule on further discussion.

The Board Chair, and all Trustees present, unless excused by resolution of the Board or by the provisions of the Education Act, shall vote on each question. A Trustee not voting under this provision shall excuse themselves from the meeting during the discussion and until the vote is taken.

Each question shall be decided by a majority of the votes of those Trustees present. A simple majority of a quorum of the Board will decide in favour of the question.

In the case of an equality of votes, the question is defeated. A vote on a question shall be taken by open vote, expressed orally or by show of hands, except that, on request of a Trustee, the vote to elect the Board Chair or Vice-Chair may be by secret ballot.

f. Debate

In all debate, any matter of procedure in dispute shall be settled, if possible, by

reference to Robert's Rules of Order. If this reference is inadequate, procedure may be determined by motion supported by the majority of Trustees in attendance.

11. Comments, Questions and Delegations at Board Meetings

The Board of Trustees believes it has the responsibility to encourage residents of the school division to bring matters of concern regarding the education of children and the operation of the Division to Regular Meetings of the Board and welcomes public participation at Board meetings as a desirable demonstration of the public's interest in education. All regular Board meetings are open meetings and no one shall be excluded from a Regular Meeting except for disruptive behaviour as provided for in the Education Act, or except under those circumstances that justify a meeting in camera.

The Secretary-Treasurer shall see that there is adequate seating for the public at Regular Board Meetings and, if the attendance is expected to be beyond the capacity of the Board Room, the Superintendent shall provide for the meeting in another location, after consultation with the Board Chair.

An adequate number of copies of the agenda for public use shall be made available for each regular meeting of the Board.

From time to time, the Board, at its discretion, may hold its meeting at a location away from the Division Office, if it is thought that such a change will encourage public participation. Typically, such a new location will be in a school building of the Division. It will be the responsibility of the Secretary-Treasurer to see that such change of place of meeting and any change of time of meeting are well-advertised in advance to the public and the news media.

Comments and questions on specific board agenda items

- a. If a member of the public wishes to comment on or has questions on a specific agenda item at a Board meeting, the individual shall register with the Superintendent or designate by 12:00 noon on the day of the meeting.

Formal Delegations and Presentations to Board

- a. If a delegation from the public wishes to make a presentation to or a request of the Board, it shall first be discussed with the Superintendent or designate. This provides the presenter an opportunity to clarify their understanding of Division practices related to the presentation topic and determine what other assistance may be available through the Administration.
- b. If after meeting with the Administration, an appearance before the Board is still desired, the delegation may request an audience with the Board stating the nature of the request. This shall be made in writing to the Board Chair and the Superintendent or designate, at least three weeks in advance of the preferred meeting at which time they wish to appear. (Notwithstanding this notice, the Superintendent, in consultation with the Board Chair, may consider a request to

waive the timelines if circumstances warrant.)

- c. The Board reserves the right to determine whether the delegation will be heard, and if so, whether it will be heard by the Board or by a committee of the Board. For matters clearly within the practice and mandate of the Board, the Superintendent or designate and Board Chair shall make appropriate arrangements for the delegation to be heard.
- d. Written briefs or a digest of the information to be presented must be submitted to the Superintendent or designate at least five days prior to the meeting. The notice and the brief will be provided to each Trustee with the notice of meeting at which the delegation is to appear.
- e. The delegation will be asked if they object to their personal names appearing in the minutes.
- f. The delegation may make its presentation in writing and/or orally.
- g. The delegation shall, during its meeting with the Board, observe the rules of parliamentary decorum.
- h. A delegation from the public may present for a maximum of 10 minutes in total and may appoint two spokespersons. The Board Chair will thank the speaker.
- i. Upon completion of the presentation the Board Chair shall allow Trustee questions of the delegation for a period of fifteen minutes, or as determined by the Board Chair.
- j. The total duration of the delegations and presentations section on the agenda shall not exceed 30 minutes. Exceptions to the time limits may be made by a majority vote of the Board.
- k. Decisions regarding requests made by delegations will be dealt with at the next meeting of the Board or appropriate committee unless the Board will be making a decision on the matter as part of another scheduled item of business on the agenda or it is otherwise agreed to by a majority vote of the members present.
- l. The Board Chair shall communicate the decision of the Board, in writing, to the person who requested to appear before the Board as soon as possible. If the decision may be appealed under the Education Act, the Board Chair shall advise the spokesperson of their right to the next avenue of appeal.

12. Board Member Honoraria and Expenses

The policy of the Canadian Rockies School Division is that Trustees may receive a monthly honorarium for the normal performance of their duties and hourly or daily payments for additional service on certain committees, tribunals and hearings and activities as detailed in this policy. The Board may, by motion, authorize payment of honorarium for attendance (whether face to face or virtual) by Trustees at training events, conferences, committees not named and special meetings or any other events where the business of the Board is conducted.

a. Monthly Honorarium

The monthly honorarium amount for the Chair, Vice-Chair and Board members is set annually by motion of the Board. The monthly honorarium recompenses service for the usual business of the Board which includes attendance at regular public meetings and committee of the whole meetings.

Aforementioned monthly honorarium payments do not require the submission of claim vouchers for the basic honorarium.

In the case of a Trustee requesting a leave of absence from duties, payment of monthly honorarium will be suspended for the term of the leave.

The monthly honorarium for any Trustee not fulfilling their duties may be suspended by motion of the Board.

b. Hourly/Daily Honorarium

The hourly and daily honorarium amounts for Board members are set annually by motion of the Board. The hourly or daily honorarium will be paid for attendance at ASBA/PSBAA meetings and events, negotiation committee meetings, Trustee conferences, workshops, planning sessions, in district meetings with government officials, school functions, school council meetings and other events/meetings deemed appropriate by the board . Travel time may be used in calculating the per diem claim. Attendance at these meetings and sessions will be coordinated by the board at Committee of The Whole meetings to ensure value of Trustee attendance.

Trustees are required to submit receipts and signed claim forms in order to receive hourly/daily honorarium and/or to be reimbursed for expenses. All claims must follow guidelines set by the Board and adhere to the annual budget set by the Board.

Cash and or a credit advance are allowable against anticipated costs.

c. Allowable Expenses for Trustees

Trustees may claim for actual expenses for the following:

arranged by administration with a view to maximizing efficiency and minimizing expenses, Trustees shall avail themselves of these arrangements unless other arrangements are authorized by Board motion.

d. Claims for Hourly/Daily Honorarium and Expenses

i. The Secretary-Treasurer will review Trustees' expense claims for accuracy and completeness. Discrepancies will be referred to the Board. Per Diems and expense claims shall be submitted electronically, via the financial software, in a timely manner and approved by the Board Chair. The Board Chair's per diems and expenses will be approved by the Board Vice Chair. Detailed receipts are required. Payment will be issued in accordance with a published schedule of dates.

ii. Individual trustee remuneration will be reported annually in the Division's audited financial statements.

e. Adherence to Budget

Notwithstanding other parts of this policy, the total payments for honorarium and expenses shall not exceed the amount budgeted for such payments unless there is a Board motion authorizing a change to budget. In the case where payments would exceed budget, the Secretary-Treasurer is directed to cease all payments unless and until an authorizing motion is approved.

13. Board Member Conflict of Interest

Each Board member is directly responsible to the electorate and the Board. Upon election to office, Board members assume a position of public trust and are expected to conduct themselves in a manner that will not impair the trust accorded them or the Board. A Board member is expected to avoid conflicts of interest in the exercise of the member's fiduciary responsibility in all matters considered by the Board. A conflict of interest exists when a member is confronted with an issue in which the member has a personal or financial interest or an issue or circumstance that could render the member unable to devote complete loyalty and singleness of purpose to the public interest.

The Board expects:

- a. that each Trustee will be conversant with sections 85 and 88 of the Education Act with respect to pecuniary interest and conflict of interest;
- b. that if a Board member has a personal or financial interest in any matter being considered by the Board, the member shall disclose such interest to the Board, shall not vote on the matter and shall not attempt to influence the decisions of other Board members. If a Board member has a pecuniary interest in a matter before the Board or a committee of the Board, he or she shall comply with the specified procedures set forth in the Education Act Section 85, as the same may be amended from time to time.

- d. Perform an official act that directly confers an economic benefit on business in which the Board member has a substantial financial interest or is engaged as a counsel, consultant, representative or agent; and
- e. Otherwise be in a position of conflict as enumerated in Section 82 of the School Act, as the same may be amended from time to time

14) Board Participation at Public Hearings and Presentation

It is understood that the operation of the Board as a school system is of interest and concern to the residents served and to the public at large.

In the development of its plans or implementation of its decisions there may be occasions when

a member of the public wishes to take issue with the Board by filing a protest or complaint with an external or judicial body.

The intent of this policy is to give direction to the Superintendent to prepare a position or briefing paper which puts forth the position of the Board

Specifically

- b. The Board shall give consideration to the issue and provide direction to the Superintendent in preparing the support document.

In order to meet its responsibility, the Board shall establish and maintain written policies which express its philosophical beliefs in support of public education and provide effective direction and guidelines for the action of the Board, the Superintendent, staff, students, electors and other agencies. Board policies constitute the will of the Board in determining how the Division will be operated.

The Board shall be guided in its approach to policy making by ensuring adherence to the requirements necessary to provide public education and compliance with the Education Act and provincial legislation.

Board policies shall provide an appropriate balance between the responsibility of the Board to develop the broad guidelines to guide the Division and to provide the opportunity for the Superintendent to exercise professional judgement and experience through the development of Administrative Procedures in alignment with Board Policy to guide the administration of the Division.

The Board shall adhere to the following stages in its approach to policy making:

1. Planning

The Board, in cooperation with the Superintendent, shall assess the need for a policy, as a result of its own monitoring activities or on the suggestion of others, and identify the critical attributes of each policy to be developed.

2. Development

The Board may develop the policy itself or could delegate the responsibility for development to the Superintendent or a committee. When responsibility for development is delegated, alternatives considered or to be considered must be included in the report to the Board to facilitate the choice of the best alternative.

3. Implementation

The implementation of the policy is an administrative responsibility.

4. Evaluation

The Board, in cooperation with the Superintendent, shall evaluate each policy in a timely manner in order to determine whether or not it is meeting its intended purpose.

Specifically

1. Any Trustee, employee, taxpayer, parent or student of the Division may make suggestions regarding the possible development of a policy on any matter, by

presenting a proposal for a policy in writing to the Superintendent. The proposal shall contain a brief statement of purpose or rationale.

2. Policy may also be initiated by the results of a public consultation or survey, needs assessment, or policy evaluation.
3. The Superintendent shall present the proposal to the Board for initial consideration. Should the Board determine the need for policy development, the Board will direct the topic to an individual or The Policy Review and Development Committee to prepare a draft policy for further Board consideration.
4. Proposed policies are to be presented to the Board as draft policies.
5. Proposed policies which are 'accepted as information' by the Board shall be posted on the division website for a period of two weeks for the purpose of gathering feedback to be submitted to the Policy Review and Development Committee.
6. The Policy Review and Development Committee will submit the final draft policy to the Board for final approval.
7. Once the policy has received final approval by the Board, it will be posted on the district website and will be flagged as "new" for a period of at least 30 days.
8. In instances where the policy has been drafted as the result of legal agreements or where the modifications are minor and do not affect the intent of the policy, modifications are presented directly to the Board of Trustees for approval as housekeeping.
9. All suggestions must proceed through the policy making process as outlined in the protocols.
10. The Board shall have the right to unilaterally establish policy which addresses monetary or payment matters.
11. The Superintendent is responsible for communicating policies within the Division; for monitoring Division policies on an ongoing basis; and for making recommendations to the Board for revision.
12. The approval of a policy statement for inclusion in this handbook suspends any previously adopted policy relating to the issues covered in the approved policy statement.
13. The Board shall review each policy annually.
14. The Superintendent shall develop administrative procedures, as specified in Policy 11: Board Delegation of Authority. These Administrative Procedures must be in accordance with Board policies.

15. The Superintendent may suspend a policy, but at the first opportunity they shall report to the Board the reasons for suspension and the recommended amendments. The Board may ratify the suspension or it may reinstate the policy. When it is expedient the Superintendent may make the decision in consultation with the Board Chair.
