## Administrative Announcements Update 2022-2023

**Date:** June 16, 2022

**To:** Administrators, Staff, Trustees, Parents

**From:** Christopher MacPhee - Superintendent

**Re:** CRPS Administrative Announcements—Update

Due to unforeseen circumstances resulting in one staff member unable to return to work, the following temporary changes have been made to support the continuity of learning.

**Mr. Mike Shoemaker, Acting Director of Learning Services**

Mr. Shoemaker will be moving from Assistant Principal of BCHS to take on the role of Acting Director of Learning Services. Mr. Shoemaker's leadership, student-centered advocacy and caring attitude will continue to support students and families throughout the Division.

**Ms. Natasha Miles, Acting Assistant Principal, BCHS**

Ms. Miles will be taking on the role of Acting Assistant Principal at BCHS replacing Mr. Shoemaker while he moves to a secondment role at Central Board Office. Ms. Miles' previous experience at BCHS and extensive high school experience will ensure the continuity of learning for students.

**Ms. Kelly Proudfoot, Acting Principal, Lawrence Grassi Middle School**

Due to the above mentioned circumstances, Ms. Proudfoot will be moving from Assistant Principal at LGMS to Acting Principal. Ms. Proudfoot's previous administrative and learning support experience will make her a capable fit for this temporary transition.

**Ms. Fiona Watkins, Acting Assistant Principal, Lawrence Grassi Middle School**

New to our administrative team is Ms. Fiona Watkins. Ms. Watkins holds a Master of Education from the University of Calgary, a Bachelor of Arts (Psychology) from Western University and a Bachelor of Education from the University of British Columbia. She is currently completing her third year of doctoral studies where her focus is on experiential learning in outdoor classroom spaces.

Ms. Watkins comes to us from the Calgary Board of Education where she is currently an Assistant Principal and also teaches at the University of Calgary. Ms. Watkins has previous experience working with Indigenous student populations.

When Ms. Watkins is not at work, she can be found playing in the mountains, on a bike, skis or paddle boarding. She is very excited to be joining the team at Canadian Rockies Public School.
