**Date:** August 31, 2022  
**To:** All Administrators, Staff, Trustees, Parents  
**From:** Christopher MacPhee - Superintendent  
**Re:** CRPS Transportation Manager

I wish to take this opportunity to announce that Ms. Elizabeth Lewis has accepted the position of Transportation Manager for Canadian Rockies School Division. Elizabeth has been hard at work preparing for the 2022-2023 school year.

Elizabeth grew up in Canmore, attending schools within CRPS from K to Grade 12. In addition to being an active volunteer within the Community, Elizabeth also runs her own not-for-profit organization in East Africa.

Elizabeth has been with the school division for 17 years, starting as a bus driver. In 2013, she moved to the transportation office as Transportation Administrative Assistant. In 2019, she took on the role of Assistant Transportation Manager where she was involved with fleet maintenance, the NSC (National Safety Code) Program and driver training.

Elizabeth takes great pride in the well-trained and caring team of drivers who safely transport our most precious cargo safely to and from school through all kinds of weather. She is very much looking forward to her new role as Transportation Manager.

Please join me in congratulating Elizabeth on her new appointment. We look forward to working with her in this capacity!
