

# Season Greetings

## From Board of Trustees & Superintendent of Schools

As Canadian Rockies Public Schools' learning communities prepare to celebrate the winter holiday with family and friends, we would like to thank all CRPS students, families and staff for another successful year.

The past few months have been exceptionally busy and we know everyone is looking forward to the change of pace that comes with the winter break. To our staff, you have faced many challenges over the previous couple of years, yet you continue to inspire us with your ingenuity, commitment and hard work. Our children and families look to you as an example of strength, stability, safety and hope as you bravely face the challenges that come your way.

May everyone take the time to rest and enjoy the precious moments that you are presented with as you celebrate the season, and remember to give back to those in need. On behalf of the Board of Trustees and the Office of the Superintendent, we wish you peace, health, love and joy.

Best wishes to you and your family; we look forward to seeing you in the New Year!
