SKI ACADEMY

All mountain skiing at the Rockies' biggest, Canada's best!

The Canadian Rockies Ski Academy is an integrated ski and school program for students in grades 9-12, attending either BCHS or CCHS. The Academy provides an opportunity for international students to achieve athletic goals while still balancing educational demands. Held at the world famous Lake Louise ski resort, this program is sure to inspire students to their fullest potential.

This program is suitable for confident downhill skiers who are interested in developing their skill set further. The Academy is not a racing program although ski racers will benefit and come out of this program as stronger and better skiers. The program is well tailored for someone looking to pursue a future career in the ski industry or earning additional income as a ski instructor.

INCLUDED IN OUR SKI ACADEMY:

- Full year: 44 lessons of coaching on snow
- One semester: 22 lessons of coaching on snow
- Lake Louise Ski Resort season pass
- Shuttle bus service to/from the ski resort
- A locker at the ski resort
- Ski Academy team jacket
- Instructors have achieved the CSIA or CASI level 3 teaching as a minimum standard. All instructors are able to teach all over the vast terrain Lake Louise has to offer
